What's up Big D.?

OF THE DAYS WE LEFT BEHIND

TIMES WE GAVE TO ONE ANOTHER

One good shot deserves another!

Grand Exit!

They ain't heavy—they're my brothers!

We have to stop meeting like this!

I think you hold the club this way, girls!

That's for us!

OF THE WAY

Let's hear it for Mash!

WE WERE

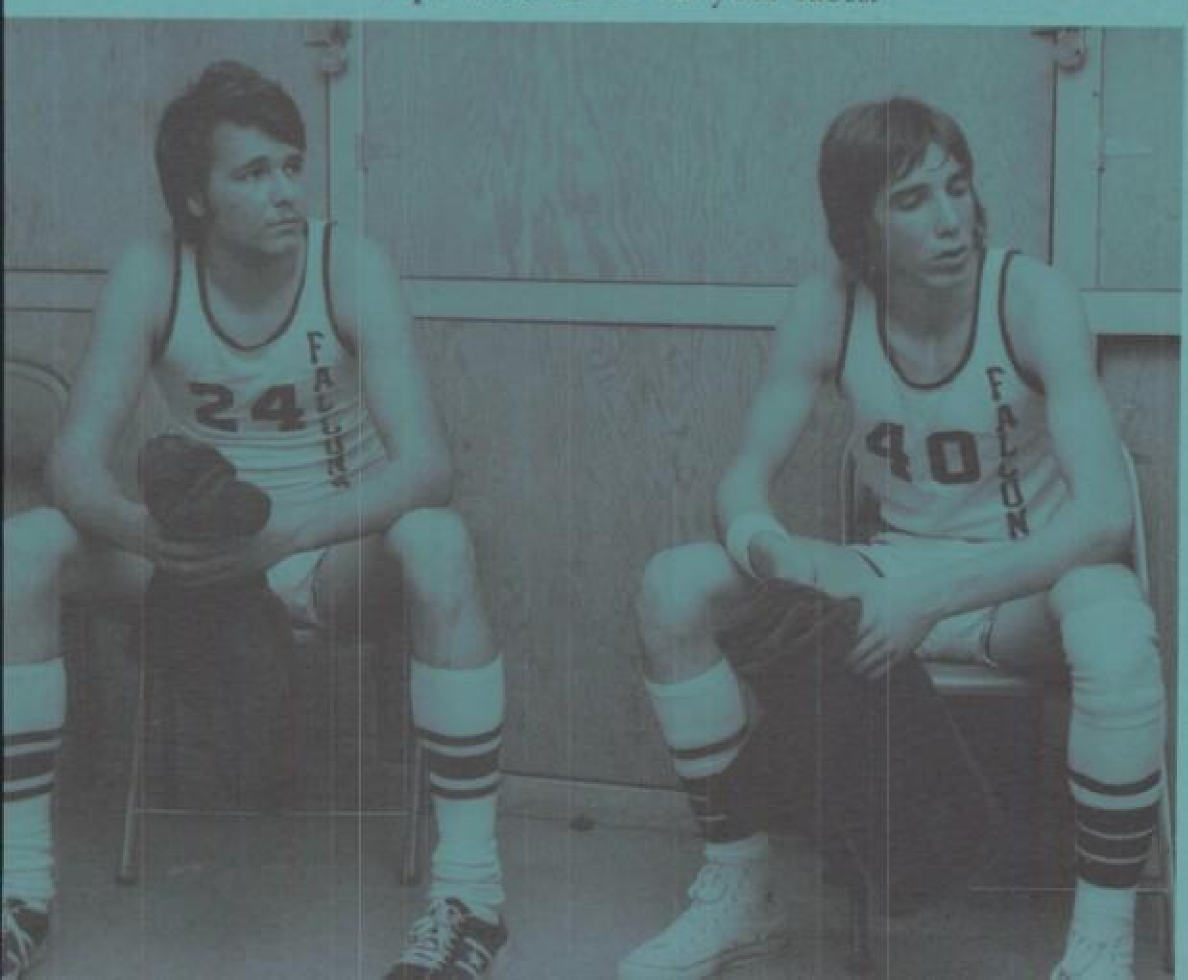

Would you believe—a bird nest?

Somebody—quick!!!!!!

Wipe those smiles off your faces!

The Army needs a few good men!

Mr. Cook! Mr. Cook! Somebody stepped on my foot!

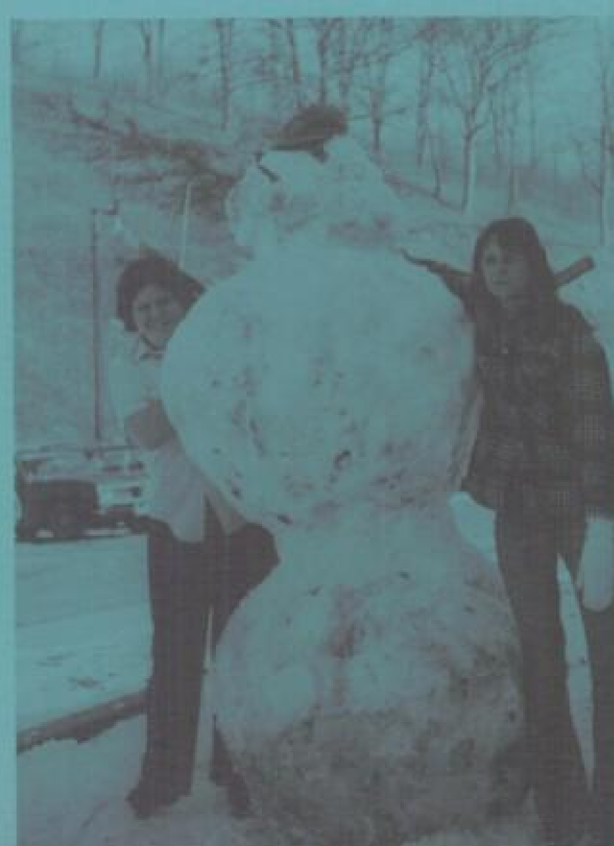

AND SO IT'S THESE MEMORIES WE WILL REMEMBER

Wake up! You're snoring again!

A little more to the left Chris!

Getting the cold shoulder, girls?

WHEN WE REMEMBER

Go Frankie!

Better glad, than mad!

Bookworms??????

Register sitters

THE WAY WE WERE

Gary crowning our sweetheart queen

I didn't do it!

Memory is a capricious and arbitrary creature.
You never can tell what pebble she will pick up
From the shore of life to keep among her treasures, or
what inconspicuous flower of the field she will preserve as
the symbol of "thoughts that do often lie too deep
for tears" . . . And yet I do not doubt
that the most important things are always the best remembered.
